Introduction:-

An etymological analysis of the word “Mahakalpara” reveals that it is the pada(abode) of Supreme Lord Shiva(Mahakal).It is the place where the divine peace and serenity reigns for ever.

Mahakalpara,in its geo-political location, is a block headquarters of coastal district, Kendrapara. It is twenty five Kms. away from district headquarter and 105 kms away from the state Headquarters, i.e, Bhubaneswar. It has demographic strength of near about 2 lakhs as per 2011 census. It is enjoying the status of an Assembly constituency. The blue water of Bay of Bengal kisses its beautiful land. Because of topographical advantage, the Ministry of Defence has installed a Naval base which assumes military significance.

Although it happens to be one of the most politically sensitive nerve-centres of Odisha,it has not received due attention of state Govt. Till the monsoon of 1978,it was an island bereft of the facilities of Higher Education. A prodigy had to perish or pedal a distance of 25 Kms through the muddy - streets to Kendrapara for higher education. The aim of foundation of every society is the education of its youth. This idea struck a cross-section of persons from different walks of life who founded the foetus of this institution.

Every institution has a glorious past of its own and Sri Sri Bayababa college is not an exception to it. As per the resolution of the meeting of the local gentry, the foundation stone of the college was laid on the auspicious day of 7th August 1978 in the place consecrated by the holy presence of the Great Saint Namacharya Sri Sri Bayababa. Since spiritual blessings constituted as a catalytic for the smooth and steady growth of institution, the college was named after the great Saint. The college is dreaming to scale dizzy heights in the sphere of Higher Education. Such is the great saga of history behind the establishment of this college.

It really unfolded an intellectual bud-time fulfilling a dream worth dreaming. With the march of time and change in condition and tireless efforts of the masses took this infant institution to its great height and glory. Within nearly four decades of its successful journey it has reached the full bloom of its youth being affiliated to Utkal University and accredited by NAAC in 2007 with “C++” grade .

This premier institute situated at the heartland of Kendrapara on Marshaghai-Jambu Road connecting N.H-5A has become a hub of learning fully committed to imparting quality education in effectively and meaningfully dispelling the darkness and ignorance with the light of right knowledge among the distressed, deprived, underdeveloped and under privileged strata of society keeping a balanced pace in this digitally designed technological world with maintaining a beauty and balance in its approach.

Its vast lush green campus, a centrally located library rich in study materials and texts, two NSS and YRC units, comfortable class rooms, well equipped laboratories, Administrative Block have, no doubt, added a feather to its cap.

Further it is needless to reiterate that its reputation lies in its transparency in its academic, administrative and financial fields.

Furthermore this temple of knowledge envisions to harness the latest available and dependable technology in teaching and learning process with a bid to introduce automation in the library, examination, accounts and establishment section.

Last but not the least the college looks forward to inculcate the spirit of globalization and enabling the young minds to prepare and to face the growing challenges that come on their way.

Composition of the IQAC
SRI SRI BAYABABA COLLEGE, MAHAKALPARA,
Dist.-Kendrapara.Odisha-754224

(b) Unit cost calculated excluding salary component :- Rs.7,977/-

The Annual Quality Assurance Report of IQAC

Sri Sri Bayababa College for the session 2011-12.

The Annual Quality Assurance Report of this permanent affiliated Degree College located near the block headquarters Mahakalpara in Kendrapara district is the culmination of effective, efficacious and progressive well laid-down plan of IQAC for the session 2011-12. It is basically the decisive output of the ongoing strenuous endeavor to materialize the objectives and goals aimed at in the beginning of the academic session. This apart , it not only attempts at ensuring academic excellence, but also it perennially endeavors to devise, develop and promote a system virtually forgetting a conscious, conscientious and catalytic action at better lubricating and strengthening the administrative machinery of this NAAC accredited college.

It also stands as a testimony to the unquestionable devotion and sincere commitment of the employees who have made a commendable contribution in the post accreditation period. Notwithstanding this achievement, the students as the direct beneficiaries are provided with special care and attention for acquiring special qualitative and dependable higher education for a better and bright future.

PART-A

Graphic Presentation of Plan for the year, 2011-12.

1. Brief Description of the PLAN :-

Academic Progress of the students

Academic Progress :-

- i) Sincere efforts will be made in conducting effective, impressive and result oriented classes prioritizing regularity of the students.
- ii) Due emphasis will be given on conducting remedial and proctorial classes for intellectual development of the students.
- iii) Periodical tests like Monthly, Half-Yearly and Annual will be conducted as per regular schedule in Academic Calendar.
- iv) Utmost care will be taken in ensuring students attendance through motivation, guidance and some prescribed stringent measures as made mandatory in the college calendar.
- v) Seminar Library of each department shall be enriched and upgraded by providing more and more relevant text books, reference books, newspapers and journals. General Library will be equipped with advanced computerized system to facilitate timely issue of books to the students. Better facilities in the Library Reading Rooms will be provided to attract the students from different streams.
- vi) Students will be motivated and inspired to take part in all departmental and UGC sponsored seminars and talks to be organized under the aegis of the institution.

- vii) An all out effort will be made to make all the students computer literate.
- viii) Science Laboratories will be equipped with advanced technological gadgets available from time to time.
- ix) Extracurricular activities like Essay, Debate, Song, Quiz Mono-acting and athletic competitions organized by the college will be made attractive by additional incentive and impetus to draw maximum number of students to help them explore more avenues in their future life.
- x) Last but not the list all the department will be given due impetus and feedback to organize study tours to places of strategic and educative importance in its academic session.

2. **Introduction of New Curriculum:-**

- i) Steps will be taken to open new Honours subjects including computer education for all the students.

3. Opportunity for employment through

Career Counseling Programme

- i) Eminent personalities from different walks of life and fields will be invited as and when required to provide invaluable vision and guidance to the students for suitable and promising employment.
- ii) Steps will be taken to make the students employable through special training in Spoken English and personality development.

4. Free Studentship :-

Poor and meritorious students will be chosen as per the yardstick made by the college from time to time.

5. Students will be motivated to join NSS, Scouts, Rovers and participate in all the activities of social value in order to develop requisite skill and qualification for being integral part and parcel of development.

6. Health camps, Blood Donation Camps, construction and repairing of roads, campus cleaning, creation of mass awareness about various social maladies particularly in rural areas, will be organized with active participation of the college NSS and YRC wings to infuse the spirit of service among the students.

7. Gymnasium facilities will be made available in the college for the benefits of the students.

PLAN FOR TEACHERS' DEVELOPMENT :-

1. Faculty Development Programme :-

- i) Teachers must be inspired to participate in UGC sponsored National/ State Level Seminars, Orientation and Refresher Courses.
- ii) Sufficient scopes need be provided to the teachers to undertake Research Projects leading to M.Phil, Ph.D etc, and MRP through UGC funding.
- iii) Teachers will be inspired to deliver lectures with the help of Laptop, LCD Projector , Over Head Projector, Charts, Maps, Audio CDs and power point projectors to make the class room teaching impressive and lively.
- iv) To translate the aforesaid objectives internet connections to all the departments shall be provided as early as possible.
- v) The campus will be made a Wi-Fi one.

2. Having considered the global and indispensable role of the computer in this modern digitally designed world, it is held mandatory to enthuse all the faculties to be trained in the use of computer, internet and related equipments

3. Research Projects :-

Adequate numbers of research oriented journals and books must be provided to motivate the teachers to go for Ph.D and Minor/ Major Research Projects that are relevant for contemporary society.

4. Research Grants Received :-

M.R.P. Grant from U.G.C.- Rs.66,500.00

in favour of Sri Shashadhar Panda, Lecturer in Commerce.

5. Community service activities in the outskirts of Mahakalpara will be carried out by various agencies functioning in the College.

6. Principal and Academic Bursar together with a high level committee will visit to assess the quality of class room teaching of various streams from time to time and orient the teachers as and when felt expeditious.

C. OFFICE ADMINISTRATION :-

(i) Each file is to be disposed off within a specific time limit and urgency of the matter will be taken up on priority basis maintaining transparency as per the official procedure.

(ii) Orientation to the ministerial staff will be provided at a regular interval in order to make them acquainted with the matter involving any complicacies so that smooth functioning of the office administration can be ensured.

(iii) As a corollary to the above the ministerial staff will be motivated to

undergo Computer training in order to develop their professional skill.

04. PLAN FOR OVER ALL DEVELOPMENT :

1. Development of Botanical Garden.
2. Completion of Boundary wall.
3. Completion of Women's' Hostel.
4. Development of play ground.
5. Construction of roads in the campus.
6. Installation of Electric Transformer in the College campus.
7. Installation of 30 KVA Generators.
8. Installation of Inverters in all the departments.
9. Illumination of the College campus.
10. Up-gradation of facilities of the Staff Common Room, Boys' & Girls' Common Room.

PART-B

GOALS AND OBJECTIVES :

A rural-based educational hub located in the heart land of Mahakalpara in the district of Kendrapara, Odisha, Sri Sri Bayababa College looks forward to translate the noble objectives into reality for all-round intellectual and moral development of the students through a concrete and comprehensive learning approach.

NEW ACADEMIC PROGRAMMES INITIATED AT UG LEVEL :

1. Increase of seats in +3 Science and Commerce streams.
2. Opening of new Honours subjects Physics, Mathematics and Botany in +3 Science and opening of Education and Statistics at the degree level.

INNOVATIVE APPROACH TO CURRICULAR DESIGN:

At the beginning of the academic session 2011-12, an elaborate programme for co-curricular activities has been chalked out by the Administrative Bursar in coordination with other associated members. This has been undertaken basically to energize the talent potentialities of the students towards development of their creative attitude in teaching & learning inclusive of other multifarious academic activities.

INTER-DISCIPLINARY PROGRAMMES:

A variety of inter-disciplinary programmes like Inter-departmental seminars, Honours seminars, Debates, Quiz, Essay and Song competitions were organized under the aegis of this institution.

All the departments of this fast growing institution have successfully organized welcome and Farewell ceremonies, Celebrations of Teachers' Day, Ganesh and Saraswati Puja and other co-curricular activities for the students during the current academic calendar 2011-12. The students were boosted to prepare and present seminar paper and different projects under the active guidance of the teachers.

EXAMINATION REFORMS :

Monthly Unit Tests, terminal and annual examinations are held every year to assess the performance of the students.

PATENTS GENERATED :-

It is pertinent to mention here that this institute is affiliated to Utkal University and has prominent role in conducting all the examinations in a very fair and transparent manner in conformity with the norms and guidelines as stipulated by the University . Apart from this the college has been playing a pioneering role in introducing group discussions to broaden the intellectual horizon of the students and development of oratory with confidence building and personality development in order to prepare the students to face all the challenges even at the time of adversaries in future.

INTERNAL RESOURCES GENERATED :

The college looks forward to introduce certain self financing courses such as BBA, BCA etc to generated internal resources. In addition to this the college banks on the resources in shape of development fees from the students, funds from MLA and MPLADs and financial assistance from charitable trust.

COMMUNITY SERVICE THROUGH NSS AND YRC

The NSS and YRC Units of the college motivate the students to extend helping hands to the nearby poor and helpless villagers during various natural calamities. Both the Units conducted some camps in different villages to clean the villages to clean the village ponds, construct rural roads and create consciousness among the villagers about the value of education, dangers of Malaria, Dengue, Cholera and Swine Flu and other dreaded diseases.

CAREER COUNSELLING AND PLACEMENT CELL:

Career Counseling Programmes have been executed to update the knowledge of students leading towards placement in various Govt. & private sectors.

PLANS OF THE INSTITUTION FOR 2012-13:

This is indisputably an age of information and knowledge. In keeping with this modern trend the college is determined to take every step for its dissemination by leaps and bounds. This is natural on the part of this institute to make plans to venture into the unknown future for the realization of these objectives.

1. GREEN CAMPUS :

A massive plan for plantation programme will be implemented to make the whole campus Eco-friendly. The students and the teachers will be urged to make this noble objective a reality.

2. Development of communicative skill in English is the dire need of this time. Priority will be given on the development of language skills of the students for all practical purposes. The College envisions to establish a language Cell.

3. Sports, and Cultural events including Event Management will be given due weight age. Necessary equipments and related facilities will be provided for the purpose.

4 Construction & Renovation :

Construction and completion of Girls' Hostels, Expansion of reading-room facilities in the existing Library, expansion of library building, construction of Guest House, Auditorium, Staff quarters with renovation of all Common rooms and departments will be taken up on a war-footing basis.

5 The link among the students, teachers and the parents will be given a thrust through regular evaluation and response from various angles.

BEST PRACTICES OF THE INSTITUTION:

The peaceful undisturbed disciplined academic environment, the smooth conduct of all functions including election to students' union is some of the evidences which speak of its best practice. The growing trend of increasing student strength along with qualitative improvement records of examination results is also suggestive of this.

The participation of both boys and girls in the college drama is something unique in the district and also boasts of good friendly relationship prevailing among students.

PART - C

PLANS OF THE INSTITUTION FOR 2012-13 :

This is indisputedly an age of information and knowledge. In keeping pace with this modern trend the college is determined to take every step for its dissemination by leaps and bounds. This is natural on the part of this institution to make plans to venture into the unknown future for the realization of these objectives.
